**MINUTES:**

**CHAIR:** Joe – Thanks for the opportunity to serve as your chair. I am honored that you have the confidence in me. I only have a couple of things to start out with.

- 1) I have \$200 from Tina M. for this month. Her beginning balance was \$1936.39. She make a \$750.00 payment in March and a \$200.00 payment in April. Her new balance is \$986.39. She has kept to her word of staying in contact with me.
- 2) Although over the past I have served many terms as the ASC treasurer, it seems that I have been categorized as the treasurer and when issues come up, I get the calls, I received three calls this past month regarding financial issues. I am no longer the treasurer, Steven P is our treasurer and we must allow him to fulfill his duties. If he needs to contact me, I will make myself available to him. Please call Steven first. Thanks You.
- 3) I am excited to be the ASC chair and look forward to a great year. Let's have some fun and carry a strong unified message of NA recovery.  
ILS, Joe

**RCM:**

Hello Family,

- Well let's get started, Stewart and I attended the region meeting on the 11<sup>th</sup>. We covered a wide range of topics which resulted in several motions which I will list later and much discussion. First of all the Fremont area presented a bid for the 2010 NRCNA convention. And just in case you don't know 2009, this year's convention will be held in Lincoln. I thought I would bring up the issue of the convention since they opened up the bid for 2011. I was wondering if we (ENNA) would be interested in presenting a bid? I happen to know some recently unemployed convention members who put on a kick ass Close Encounters convention last year. (HINT HINT) Anyway, let's push that around a lil' bit and see where we end up. We also discussed changing the month we pay our insurance premium to Jan. instead of Oct. so there's not a push on the convention committee to return funds to the RSC. Here is a list of the motions we will need to vote on this quarter:
  1. To put into policy to fund the RD & RDA once a year to a World Wide Workshop inside the continental U. S.
  2. To put into policy new requirements for Regional Policy Chair (4 yrs clean, familiar with Roberts Rules of Order, & 2 yrs RSC experience)
  3. To adopt new RD & RDA requirements

We also formed an ad-hoc committee directed to formulate and present to the region new convention guidelines before the kick off of the 2010 convention. And just a little side bar note, the region donated \$3853.84 to the WSO this quarter. That was our first donation as a region to the WSO in over 2 years. And finally I would like to thank ALL 5 people who showed up for the input and review workshops this month. You know who you are and you all ROCK! We went over the "In Times Of Illness & Self Support" IP's. Thank you for caring enough about our fellowship to show up and be a part of. The rest of you.....Whatever! That's really all I have for now and if I forgot anything it will be added after I receive my regional minutes.

ILS, Mark B. & Stewart S.

**SUBCOMMITTEE REPORTS**

**CLOSE ENCOUNTERS:**

Hi everybody! Close Encounter's is making some ground with finding out all the details, and making negotiations with the Hotel. Nothing is set in stone YET, but Chris B. has been so kind to step up and fill the Hotel Liason position until we recruit someone else. (YEAH--Thanks Chris! 😊)

We also discovered upon reconciliation that the start money for Registration was short \$300.00, so I talked to Joe W., Stephen, and Mark B. We voided the check that was written to Region, subtracted the \$300.00 and sent Mark B. with a new check to region, so we could get started on the right foot.

We are sending Survey's out to each of the groups to get some ideas about what they would like to see for merchandise, so if everyone could take these to your groups, have them filled out and returned to either Bud B., Cindy S., or myself ( Amy B.)by the time we have our next Close Encounter's meeting on May 3rd.

Our Treasurer's Report has us at a balance of \$3,745.80. Our Secretary Liz B. has also stepped up to fill our entertainment position. ('at a girl Lizzy! )

We also to put together a display table with Archives from Close Encounter's, or other Area Activities merchandise, flyer's, new's letter's, etc., so if anyone has anything, we are willing to negotiate. 😊

A quick reminder that we are still in need of a Hotel Liason, this is a great service position. You must have 2 years clean to fill this position. Additional help is always needed, so if this seems interesting to you come and join us, no clean time required!

I.L.S.,  
Amy B.  
Close Encounter's Chair

**PUBLIC INFORMATION:**

The Public Information subcommittee has voted to now be named the Public Relations subcommittee. We felt that this is a more recognizable name in our community and also more accurately describes the service work we provide: We are not just about providing information, we are building relationships with businesses and organizations in the community who work with addicts.

The new meeting schedules have been printed and are available for distribution. I am also giving the Literature subcommittee a supply so if you need some when you place an order they can provide them to you as well.

We have a new flyer for our monthly subcommittee meeting. PLEASE, PLEASE, PLEASE take one for your meeting and make an announcement. Let members know what we do and that this is a great opportunity to help other addicts find Narcotics Anonymous.

We are working on scheduling a Fair Training Day so we can get members trained for NA booths at community events. More information will be provided once the details are confirmed. Our goal is to get a booth up at SeptemberFest for this year. We have also invited members from other regions in Nebraska to come to our training day. If we get enough support throughout the region then we are hoping to get Region to support a booth at events such as the Nebraska State Fair.

Based on responses to our Hotline posters, Benson High School has contacted us to man an Information Table over their lunch period. We will be meeting with school administrators and counselors to provide them with information and advise them of how we can help. We are hoping to have something planned so we can get started in the Fall when the new school year starts.

I attended the Regional Meeting and brought back some ideas that other Areas are working on that we can implement in our Area. Subsequently, we are working on ordering business cards that we can supply to probation officers, schools, police, etc.... to hand out to addicts. We have also requested that the Region supply the Public Service Announcement recordings they have in their archives. We will be reviewing these to see if we want to distribute them to local radio stations or make new recordings for distribution.

We have a lot going on and could use all the support and ideas we can get. Come check us out and bring your sponsees. We need a Vice Chair and Secretary, but there are also plenty of other small tasks that can be done to help out. The more the merrier.

**The next monthly scheduled meeting will be Friday, May 16th at 6:30 pm.**

In Loving Service  
Jennifer D., Chair

Things are good with the phonenumber. ILS, Tim L.

**H & I:**

Hello ASC,  
Things are good. DCC women is almost fully staffed. Both men's correctional facilities need help. But the treatment facilities are being served well. I did make it to Region this last week and was welcomed by the committee. P3 is going well with about \$2862.32 so well in fact that we may need to put together a committee just to keep a handle on the money. We will need a chair, treasurer and v. treasurer. If interested please see me. We still need more recovering addicts for meet and we still need a vice chair and secretary.
