V CHAIR: SK - Absent

RCM: Hello Family, Greetings from The Eastern Nebraska Area. Things are kind of quiet in our area right now as we start to get geared up for the holiday season. SWINA will be hosting the Halloween Dance this year but we will be having our annual Thanksgiving dinner as usual. Also we will be hosting the New Years Eve dance this year. All of this information is available on our web site. Some of the other things we have going on a regular basis are bowling the 2nd Fri. of every month and Frisbee golf every Sat. morning. Also let's not forget about Close Encounters. The dates for this /next year are Feb. 26-28. All of this info is also available on our web site. Our meetings continue to do well with good attendance and a steady rise in numbers. We currently have 29 groups with approx. 42 meetings per week. And as always we still have a need for trusted servants but somehow the services continue to be provided and the work is getting done. That's about it from Eastern. ILS, Mark B. and ENNA

10/18/09 RCM Report Hello everyone, let's get started. The last few weeks have been extremely busy for me between our convention, the region meeting and So. Dak's convention this past weekend. I'm going to list all the business that was covered at the region mtg. but not the motions. I do have all of them written down but I want to be a little careful on the wording in most of them. So I will put them all in next month's report. 1st of all SENNA (NRCNA26) gave the region a check for \$5800.00 which was just to cover our expenses for this quarter. They have not closed out their books yet so they didn't have a final report or amount for us. NRCNA 27 is off to a good start but they still need help. They are mtg. the 3d Fri. at Good Sheppard Church in Fremont at 7 pm. NRCNA 28 will be held in Columbus in 2011 hosted by Area12. It has already been brought to my attention that the new reg. meeting schedules are incorrect. Which brings me to another subject. Maybe if our PR & H&I chair attended the region mtg. once in a while we wouldn't have these issues! Anyway we voted to double the production amount from now on of our reg. mtg. schedules due to an increased demand. Our reg. guidelines are now available on line at the reg. website. . We are still waiting on PR/PI, H&I, & convention guidelines to be submitted by those subcommittees. Speaking of the convention guidelines the regions general assembly will begin at 10AM next quarter instead of the normal noon start time. We will be going over new guidelines for the regional convention. Region will be held in Giltner, NE on the 9th of Jan at an as of yet undisclosed site. Some more of the business included nominations for all of the open regional service positions. Bio's will be available when I get my minutes. We also passed the motion to hold 2 Reg. H&I wkshops annually. We formed an archive committee to start putting together the reg's archives. So if you might have any please see that I get them or copies of them so we can get this thing put together. We currently only have about 5 years worth of archives and we know there are many many more out there. Thanks for your help with that. I've included a copy of my report to the region with this report just for quick reference. ILS, Mark B.

SECRETARY: I will be putting together packets containing fliers and such...only one to a group. Previous minutes will no longer be available at this meeting unless you contact me prior to the meeting...by the time we get here anything in those minutes is old and out dated...ILS DebW
