**Nebraska Regional
Hospitals & Institutions
Learning Day**

Saturday, September 13th, 2008

2:00 pm—5:00 pm

1725 S. 60th St., Omaha, NE

The Hospitals & Institution sub-committee is responsible for carrying the Narcotics Anonymous message of recovery into treatment centers, jails, prisons, hospitals and other institutions where the residents have no or limited access to regular meetings.

Many addicts first hear the NA message from members of H & I.

If you are interested in getting involved in H & I, the first step is to attend a learning day.

H & I is a subcommittee of ENNA—24 hour hotline: 660-3662
